

## Bus Mechanic/Electronics Technician

Des Moines Area Regional Transit Authority (DART) has an exciting career opportunity. Join DART's Maintenance team and help maintain the largest transit fleet in Iowa. If selected, you will be a part of the team making sure DART continues to be the number one public service, in the Iowa Capital Region.

We want to hire a Mechanic/Technician to perform skilled testing; diagnostics and repair; installation of electronic systems/surveillance equipment and other related equipment.

Assist with implementing and maintaining new transit technologies such as:

- Fare boxes
- Hybrid-electric transmissions
- Surveillance Systems
- Automatic Vehicle Locator/GPS systems
- Wireless networks etc.

ASE Certification with High School Diploma preferred.

Must have five years of experience working in the field of electro-mechanics including logic systems and digital circuitry while at the same time know brakes, suspensions, hydraulics, exhaust systems and air conditioning

In addition to an excellent employee benefits package, including IPERS retirement, the selected candidate will start at a wage of up to \$24.44 per hour. Must be able to work any shift and have tools of the Journeyman trade. An Iowa Class B CDL with air- brake and passenger endorsement will be required. DART will assist with obtaining the CDL.
